

Your company will definitely benefit from having exposure at our festival. Your generous sponsorship will be used to provide rehearsal facilities for our performers, career workshops, advertisements in local papers, and support for our many planned events through out the festival such as the End of Fest Gala.

Based on the level of sponsorship, our festival will provide the following:

Bronze \$250

Your logo will be placed in our festival programs, we will provide a table for literature or products, and we will also list your organization on the website. Your company will also receive 4 Summit Festival passes.

Silver \$500

Your logo will be placed on program related material including the festival website, fliers, and posters. A display table will be provided for products or company literature and you may also have a representative present during the festival with an exhibit booth. Your company will also receive 5 Summit Festival passes.

Gold \$1000

Your logo will be placed on every program related material such as posters, fliers, t-shirts, programs, festival passes, and tickets. We will display your banners and poster advertisements in the theatre; distribute promotional items on your behalf such as pens and key chains during shows and at the End of Fest Gala. Your company will also receive 10 Summit Festival passes.

All sponsors will receive a Certificate of Participation from the Bad Dog Theatre and the Summit Festival of Improv. You will also receive our appreciative recognition at our End of Fest Gala. We hope you say yes and help Bad Dog Theatre and The Summit Festival of Improv pave its way towards a creatively successful path in Toronto's theatre community. Thank you!
